Culture & History

Seoul is a city that embraces the beauty of both tradition and modernity. With five ancient palaces and five World Heritage Sites designated by UNESCO, Seoul is living history of 600 years as the capital of the Choson Dynasty.
Concluding Remarks

• R&R of YSG are very important!!

• KARP encourages diverse and fruitful activities of Korean YSG.

• KARP YSG hopes to have close cooperation with other country’s young professionals.
Thank you.
